## EXPERIENCE

---

OCTAVE Music Society of MSIT

Video Editor | December 2020 - present

- I have successfully edited 11-12 music videos for the society, these videos are usually collaborations with other societies or covers of songs
- I started my video editing journey with this society and love to work here as this society has taught me a lot

IEEE MSIT

Video Editor, vice chair-person design committee | 2021

- I learned how to be a team player in this organisation and gained a lot of experience.
- I have worked in this team for almost a year and got the opportunity to become vice-chairperson of the design committee in IEEE MSIT

---

## EDUCATION

---

I completed my 12<sup>th</sup> from Kendriya Vidhyalaya Andrews Ganj.

I am currently enrolled in B.Tech computer science engineering course in Maharaja Surajmal Institute of Technology.

I have learnt video editing with the help of YouTube and udemy.

---
